The meeting was called to order by Chairman, Rick Kawalek and the flag pledge was said. A sign-in sheet was provided for all in attendance.

M/S/C by Kawalek and Peterson to approve the agenda. M/S/C by Peterson and Kollar to approve the minutes of the November 8, 2010 Board of Canvass meeting. M/S/C by Peterson and Kawalek to approve the minutes of the November 8, 2010 Board of Supervisors meeting. The treasurer reported total funds available on November 30, 2010 of $ 94,402.14. M/S/C by Peterson and Kollar to approve the treasurer report. M/S/C by Peterson and Kollar to approve the claims.

BUSINESS FROM FLOOR: Dennis McNally asked what was done after his complaint about activity on the Niemi property the day after Thanksgiving (November 26th)? Paul replied that he checked with Monte Niemi; Monte stated no new tires brought in and the driveway work was done. Mr. McNally disagreed and stated 2 more loads were added. Mr. McNally also stated more was done in the driveway than was on Richard Larsen's drawing. Ms. Carrie Doom, Attorney for Monte Niemi was present and discussed the project with Supervisors and members of the public. Reference was made to MN Statute 394.34 Interim Zoning. It was further stated that Mr. Niemi's project was started prior to the adoption of the Brunswick Interim Ordinance that bans the use of shredded tires on private property within the Township; therefore it is OK to finish the project. Ms. Doom stated that 1-2 more loads of shredded tire backfill will be brought in to be used near the house. No action taken by the Board of Supervisors.

OLD BUSINESS: **Day Communication Tower**: An email response to the request at the November 8th meeting was received by the Clerk. Sergeant Chris Caulk, of Isanti County Sheriff's Office stated: "We have confirmed that there will be an enclosed on site back up generator with more than enough power to meet the needs of the tower and building. This information is confirmed by MNDOT (department of electronic communications)."

Kadlec Excavating – Lumber Street: A response to the request from the Township to place more fill on areas of Lumber Street was received from Kadlec Excavating. They stated that their one year warranty had expired. The Board of Supervisors will look into placement of Class 5 gravel to 2 separate areas in the spring.

NEW BUSINESS: Susan gave her report; land division permits issued to Nehring property, Greg Wahlstrom property, and Randy Stromberg property. She discussed a Conditional Use Permit request but has not received the final signed application.

Letter from Attorney Doom re: Ogilvie Land Development Access – Ms. Doom said she was OK with the conversation and statements discussed regarding the Niemi property under 'Business from the Floor'. No further action taken. Susan stated we (Township) have nothing to say about the driveway only the approach from our town roads; and our land use permits control only placement of buildings on the property.
