5-8 PM

*An educational opportunity
 for learners of all ages!*

PRESENTATION TOPICS

**GROWING MUSHROOMS &
 THE HARVESTER HANDBOOK**

Learn how to grow and harvest your own mushrooms from Matt Ratliff of *Ready-2-Fruit Mushrooms* in Fort Ripley. This presentation will also highlight resources available in the Minnesota Harvester Handbook, which addresses sustainable natural resource harvest and markets.

**BASICS FOR THE SHEEP &
 GOAT ENTREPRENEUR**

Join U of M Extension Sheep Specialist Travis Hoffman for a discussion on opportunities for small ruminants as a part-time venture for small- or medium-sized acreages. This presentation will help answer questions for enthusiasts interested in raising sheep and goats regarding necessary resources, expectations, and fundamentals of production management.

YOUTH *Activities*

for kids age K+

Following dinner, kids will have a chance to explore sheep fibers by felting handcrafted items in an activity sponsored by Becky Utecht from River Oaks Farm & Studio and the Kanabec County 4-H program. Kyle Bodine of Bite Me Farms, Pine City, will help the kids create a shiitake mushroom beginner kit for growing mushrooms at home.
