

Financing Solutions for Clean Water

Low interest loans are available through the Kanabec Soil & Water Conservation District (SWCD) for water quality projects. Eligible practices are: repairing failing septic systems; feedlot improvements; manure storage & spreading equipment; conservation tillage equipment; terraces, waterways & sediment basins; shore & river stabilization and other projects that improve water quality. Loan interest rates are 3% and up to ten years in length. For information or to apply, contact the Kanabec SWCD, 2008 Mahogany St., Mora, MN 55051, 320-679-3982. For additional information see the Minnesota Department of Agriculture's website at: www.mda.state.mn.us/grants/.oans/agbmploan.htm.
